RE: Annual Peer Review Committee Meeting

Dear Ms Bergt,

The Peer Review Committee met on January 14th, 2019 to review the continuing education requirements for Nebraska registered Landscape Architects. The committee recommends that all registrant's continuing education hours be approved with the following comments:

- Andrew Gorham (LA 321) submitted hours that were difficult to approve or deny in regard to relevancy to his professional practice – The committee was unsure what a Catalyst Resource Business Group Conference would cover
- Thomas Mroz (LA 281), Mark Dawson (LA 245) submitted hours that included CEO Roundtable Meetings which were difficult to approve or deny in regard to relevancy to his professional practice
- Dennis W Rubba (LA 348) submitted CEUs from 2016 and 2017 but none from 2018
- Franklin Tate (LA 1) submitted hours that were difficult to approve or deny in regard to relevancy to his professional practice – Education credits mostly real estate in content
- Laurence Wagner (LA 151) submitted hours from courses that were thought to be two hour courses but recorded as three.
- Trini Rodriguez did not submit any continuing education hours.

Please let me know if you have any questions or if I can be of further assistance.

Sincerely,

Kristina Engler
Committee Chair
