Title 231, NAC – Rules and Regulations

A clean and legislative copy of the proposed rules was provided. The Governor’s Public Research Office has recommended the deletion of Rule 1.3.2 which fees being adjusted as needed to generate revenue to administer the PLA Act. This would cause Rule 1.3.3 to be renumbered to 1.3.2. Discussion and action to adopt or reject the proposed rules and regulations was taken at the regular Board meeting held immediately after the public rulemaking hearing.

ADJOURNMENT: Motion by Seacrest, second by Miller to close the hearing at 8:37am.
